

2008-09 DISTRICT-PAID RETIREE ANNOUNCEMENT

NEW MEDICARE PART D PRESCRIPTION COVERAGE BY SILVERSCRIPT

California's Valued Trust (CVT) prides itself on positioning the Trust and its members on the forefront of cost-effective solutions for healthcare. As a new cost containment measure, we are proud to announce ***SilverScript Insurance Company*** as the new ***Medicare Part D Prescription drug coverage provider*** for all eligible CVT PPO members effective October 1, 2008.

CVT is teaming up with SilverScript, an affiliate of CVS Caremark, to bring CVT members the same excellent prescription benefits that they currently have. Additional information from SilverScript will be sent to you in the near future with complete details. An FAQ sheet is included with this notice with some frequently asked questions about the changes.

As we continue to move forward with the 2008-09 plan year, we are excited to continue offering valuable programs such as our new *Fit for Life* wellness program and the AccordantCare Disease Management program with a focused interest that positively affects your healthcare needs. Visit our Web site at www.cvtrust.org for more information about these important programs available to eligible CVT members.

Please feel free to contact CVT's Member Services department at 800.288.9870 with any questions you may have. We thank you for the opportunity to provide healthcare benefits to you and look forward to your continued participation in the Trust.
