For more than 35 years, California’s Valued Trust (CVT) has focused on providing you the best and most responsive member service. To continue that tradition, we use Trustline as our primary communication vehicle to provide required notices and insights into issues that impact your healthcare benefits and rates, as well as new services and value-added programs available through CVT. We invite every member to engage our Member Services team with questions or feedback regarding any of CVT’s healthcare offerings.

**Your 2021–2022 Open Enrollment Guide**

**Making Your Healthcare Benefits Work for You**

Open enrollment offers you the opportunity to re-evaluate your healthcare benefits and those for your family. Now is the time to review your health plan choices for the next plan year.* You should consider your personal situation—your finances, family health status, preferred healthcare providers and hospitals when choosing your coverage.

CVT’s Member Services Team is here to help evaluate the best plan for you and your family’s needs. You can contact CVT Member Services to discuss options and help determine your coverage.

*Plan year: October 1, 2021 to September 30, 2022

**Your Open Enrollment Checklist**

To support your health decision-making process, here are some tips to help you make the most of your employee benefits:

1. **Build your healthcare budget**
   - a. Determine how much will be taken out of each paycheck
   - b. Anticipate and plan for your healthcare needs and expenses

2. **Take time to review your benefits package – what’s changing?**
   - a. Log into MyCVT at mycvt.cvtrust.org
   - b. Look at your current plan options

3. **Compare different plans**

4. **Are there changes in your demographic information?**
   - a. Have you moved?
   - b. Are you making changes to your plan?
   - c. Are you adding any new dependents?
   - d. If so, visit mycvt.cvtrust.org

If 2020 taught us anything, it is that employee benefits for those in the education community need to provide additional resources for our members beyond their medical, dental and vision coverage. At California’s Valued Trust (CVT), we strive to ensure that our members get the very best—providers, solutions, and outcomes—for their benefit dollar.

As a jointly managed trust, CVT is governed by a Board of Directors who are equally balanced with union and management representatives. The board works collaboratively with the CVT staff to identify, negotiate and purchase the highest quality health benefit programs for all of our members throughout California.

Why is this important?

• We have the experience to help our members by offering resources to support their health and to help them understand their health benefit program

• The district and union chapter leadership must agree to health benefit choices offered in their district ensuring the best benefits are selected for employees/members

• Through the collective bargaining process, both the union and employer have a voice in determining health benefits offered through a district.

While balancing quality healthcare and affordable rates has always been paramount to us at CVT, we also recognize that it is just as important for us to bring as much value to each dollar spent. That is why we have partnered with some of the best healthcare companies to offer programs and services that provide value above and beyond routine medical, dental and vision benefits and many of those are highlighted in this Trustline edition.

Should you have questions about our benefits or value-added services that are exclusive to CVT members, contact our Member Services Team at (800) 288-9870.
A New Level of Member Experience for Anthem Blue Cross Members

Meet Sydney Health

We have entered a new era in healthcare innovation, and Anthem Blue Cross is proud to lead the charge. The Sydney Health mobile app provides quick access to health plan information all in one place.

Each member’s experience is highly customized, enabling better care coordination, encouraging preventive care and motivating healthy habits. Analytics and artificial intelligence (AI) are revealing real time, real-world insights into human behavior, leading to better outcomes and smarter digital experiences.

Members can use Sydney Health’s interactive chat feature to:

- Search for doctors, hospitals, labs and other health care providers in the network
- Check costs for care before seeing a doctor
- Help close gaps in their care
- See what the plan covers, including the deductible, copay and share of costs
- Find providers based on cost and quality
- Receive personalized health tips

ConditionCare: This program will be ending as of September 30, 2021. All Anthem Blue Cross PPO members will be transitioning to the CVS Health Condition Alerts program.

Blue Shield of California is Enhancing the Overall Member Experience

Earlier this year, Blue Shield of California (BSC) entered into a new administrative arrangement for the PPO plans with California’s Valued Trust intended to simplify and enhance the overall member experience. As a result, BSC members now have access to two noteworthy value-added benefits:

Blue Shield Connect: This program offers an integrated, holistic and personalized healthcare experience based on each member's needs. The Connect program includes a broad spectrum of robust, member-focused interventions driven by a smart data platform with predictive analytics that leverage our best-in-class 360-degree member care teams.

(HMO AND PPO) Wellvolution: Blue Shield’s health and lifestyle program offers a user-centric journey across wellness topics and personalized programs on the value of sleep, stress reduction, increasing physical activity, healthy eating, weight loss, smoking cessation, disease prevention and Blue Shield’s new diabetes program called Better Health. To learn more about Wellvolution, visit wellvolution.com.

For members in Monterey County: Through a partnership with Everside Health, Blue Shield of California PPO members residing in Monterey County now also have two new primary care clinics located in Salinas and Monterey that provide access to one-stop, comprehensive care and behavioral health services. To learn more about these clinics, visit eversidehealth.com/client/californias-valued-trust-cvt.

Trio HMO (for select regions)

Trio HMO is Blue Shield’s answer to addressing healthcare affordability. It’s an innovative plan designed with comprehensive, in-demand benefits. Trio members receive support from Shield Concierge – a multispecialty team of experts ready to guide members through their coverage and care. This team includes nurses, health advocates, pharmacy technicians, social workers and expert member representatives who are all just one call away.

- Health coverage, simplified
- Leveraged Accredited Care Organizations (ACO) to coordinate care and keep costs low
- Lower costs with better health outcomes

Evaluating Your MetLife Insurance Needs

Did you know that 1 in 3 Americans say that they need more life insurance?
As you experience different life events, it is important to review your life insurance coverage. If any of these are true about your situation, it may be time for you to consider obtaining more life insurance:

- Your financial needs may evolve over time
- You get married
- You have a growing family
- You have a new or larger home
- You have a new job or salary increase
- You are planning for retirement

Have the extra comfort of knowing that your loved ones can be better prepared to meet financial obligations, should something unforeseen happen to you. If you have a spouse/domestic partner and/or children, they may rely on your help in running the household. It is important to take steps to make sure that your family would be financially prepared without you to handle expenses like:

- Mortgage or rent payments
- Food
- Utilities
- Transportation
- Insurance Premiums
- Childcare/education fees

Reviewing your financial resources during your open enrollment period should also include consideration of additional MetLife coverage, which can provide you with the peace of mind to help financially protect you and your loved ones. Contact CVT’s Member Services at (800) 288-9870 or memberservices@cvtrust.org to learn more.
