California's Valued Trust believes that knowing your numbers is the necessary foundation for good health. **This year we will offer a \$200 Visa reward card for completing your biometric screenings and online Total Health Assessment. A second \$200 Visa reward card can be earned for being up-to-date on your cancer screenings and completing one online healthy lifestyle program or Wellness Coaching by Phone sessions.** You will get credit for biometric and cancer screenings you are already current on, so you might have rewards waiting! In total, you'll be able to earn \$400 in Visa reward cards.

The rewards program runs from October 1, 2020 through September 30, 2021 and is open to subscribers of California's Valued Trust and their spouses or domestic partners. Program participants must be Kaiser Permanente members and enrolled in the HMO Plan with Wellness program.

Wellness program rewards are available to all eligible participants. If you think you can't meet a requirement for a reward because of your health, you may be able to earn it doing something else. Please contact your employer or union to learn more. They'll help you find a way to earn the same reward based on what's right for your health. If you like, your doctor can also be a part of this decision.
