Healthcare Benefits for the Education Community

Availability of Your Summary Health Information

As a member of California's Valued Trust, the healthcare benefits available to you represent a significant component of your compensation package. The benefits also provide important protection for you and your family in the case of illness or injury.

Your CVT plan offers a series of healthcare coverage options. Choosing a health coverage option is an important decision. To help you make an informed choice, CVT makes available a Summary of Benefits and Coverage (SBC), which summarizes essential information in a standard format about any healthcare coverage option available from CVT.

Please visit www.cvtrust.org/sbc to review the SBC summary for each of CVT's various plans.

You may also call Member Services at 800-288-9870 and request printed copies, free of charge.

Thank you for being a member of California's Valued Trust. Your health is our business.
